

To print the Journal

It is suggested to print on a heavier paper than the standard copy paper. (We use 67lb cardstock paper.) Gloss photo paper is for the cover and it will print first or last depending on your printer setting. The accessory shopping list follows:

Shopping List:

- 1" or larger 3-ring binder with clear plastic covering for Journal cover photos
- Cardstock paper (100 sheets)
- Gloss photo paper (1 sheets)
- Page dividers (5)
- Storage pocket (1)
- Photo display pages (2)
- Tracing paper (5)
- 3 hole punch

Assembling your Journal

1. Slide cover photo page in clear pocket on front of binder.
2. Punch holes in pages with 3-hole punch.
3. Use page dividers to separate Spring, Summer, Fall, Winter and the Planning section.
4. Storage pocket, photo page and tracing paper all go in the Planning section.
